Grey vertical dotted lines represent the centers of the sides of the sock.

Blue shade represents the cuff, heel, and toe areas of the sock. These must be a solid color.

Green shade represents the bottom of the sock. This area does not need to be a solid color.

GENERAL DESIGN GUIDELINES & INSTRUCTIONS

1. Design up to the line of the length of sock required. We will place the cuff above this design.
2. For yarn matching, Pantone Solid Coated Formula Guide Codes are recommended.
3. Up to six yarn colors are permitted per design (white and black are considered colors).
4. Small & complex design elements are not suitable for knitting.
5. For a "seamless" appearance, designs should be continuous on either side of the canvas.

Submission of this design template is not mandatory. A written description and/or the use of your own template or sketch are permitted.
